

Be a part of the ARVC Chairman's Club and Help Shape Our Industry's Future

IF YOU, LIKE MANY ARVC MEMBERS, ARE CONCERNED about the current legislative and regulatory climate and how it is affecting our industry, I invite you to join the ARVC Chairman's Club. Participation in this exclusive group offers you a unique opportunity to help strengthen our industry by sharing your valuable insights and business expertise.

As an integral part of the ARVC Public Affairs Program, the Chairman's Club works to represent our member's business concerns and define ARVC's position on key issues, while presenting a unified message that communicates the viewpoint and strength of our national association. Chairman's Club members take a stance on legislative and regulatory agendas by producing policy position statements and white papers, and by working with industry partners and legislators to help influence public policy and bring about change.

The Chairman's Club is growing in importance as the challenges created by government regulations, compliance issues and taxation increase. When you make a commitment to share your expertise as a member of the Chairman's Club, you will have the satisfaction of knowing that you are doing everything possible to help protect the business interests of our industry.

Get involved and start making a difference today by becoming part of the ARVC Chairman's Club! All we ask for is a contribution of your time and knowledge. Chairman's Club members meet occasionally by phone and once each year at the ARVC Outdoor Hospitality Conference and Expo (OHCE). We encourage you to sign up today by returning this form.

Name: _____

Business Name: _____

Address: _____

City: _____ State: _____ Zip: _____

Phone: _____ Email: _____

We welcome your support and the insights you can offer through your industry experience as a whole. However, if you have one or more specific areas of expertise that is of special interest, please check all that apply below:
